To Whom It May Concern:

I writing to express my interest in applying for the position of Web Developer. My experience implementing the programming fundamentals I learned while studying at UC Berkeley in a variety of fields, from neuroscience research to the SCUBA diving industry, has given me hands on experience that will make me an asset to your company.

My experience and qualifications are in line with the requirements you have listed for this position. I have experience developing websites for small businessness with the help of Google Analytics to maximize exposure, I have web app development experience using, .NET framework, VB.NET, C#, HTML, Javascript, and MSSQL, and in all of my web projects I have been mindful of incorporating responsive design to increase usability on hand-held devices.

I find fulfillment in being challenged, in learning new ways to design intuitive, user friendly applications, and in sharing my knowledge to others. I am eager to bring the same drive and propensity for learning that has allowed me to work successfully in a variety of fields to your company.

Thank you for your consideration.I look forward to hearing from you.

Sincerely,
Adriana Guerra
