To Whom It May Concern:

I writing to express my interest in applying for the Full Stack Developer position. I have a breadth of experience that I have gained while working in a variety of fields that would make me an asset to your company in this position.

My experience and qualifications are in line with the requirements you have listed for this position:

- I have built websites and web apps using HTML, CSS, Bootstrap, JavaScript, JQuery, and AJAX for Front-End development.
- I have worked with ASP.NET Framework.
- I have experience with C# and VB.NET for back-end development.
- I have worked with Visual Studio and Visual Studio Code.
- I have worked with REST APIs.

I have also worked directly clients to developed customized business management software and have experience interpreting client needs based on their feedback.

I find fulfillment in being challenged, in learning new ways to design user friendly applications, and in sharing my knowledge to others. I am eager to bring the same drive and propensity for learning that has allowed me to work successfully in a variety of fields to your company.

Thank you for your consideration. I look forward to hearing from you.

Sincerely,

Adriana Guerra
