To Whom It May Concern:

I writing to express my interest in applying for the Web Developer position. My experience and qualifications are in line with the requirements you have listed for this position. I have experience using HTML, and CSS, including Bootstrap, to code responsive websites and email templates. I also have experience working with JavaScript as well as C# and VB.NET with ASP.NET and .NET framework.

I find fulfillment in being challenged, in learning new ways to design intuitive, user friendly applications, and in sharing my knowledge to others. I am eager to bring the same drive and propensity for learning that has allowed me to work successfully in a variety of fields to your company.

Thank you for your consideration. I look forward to hearing from you.

Sincerely,
Adriana Guerra
