To Whom It May Concern:

I writing to express my interest in applying for the Front End Engineer position. I have a breadth of experience that I have gained while working in a variety of fields that would make me an asset to Cloudflare in this position.

My experience and qualifications are in line with the requirements you have listed for this position:

- I have experience using modern JavaScript and TypeScript frameworks such as React and Angular.
- I have a strong knowledge of HTML and CSS.
- I have an understanding of responsive design and have built UIs using a mobile first design approach.
- I have experience designing and working with RESTful APIs.
- I have developed user interfaces designed to meet accesibility guidelines.
- I have experience working with and building unit tests.
- I have a strong grasp of debugging tools and excellent analytic skills

I find fulfillment in being challenged, in learning new ways to design user friendly applications, and in sharing my knowledge to others. I am eager to bring the same drive and propensity for learning that has allowed me to work successfully in a variety of fields to your company.

Thank you for your consideration. I look forward to hearing from you.

Sincerely,

Adriana Guerra
